A TRAVEL COMPANY BORN OF EXPERIENCE ...

Located in Chesterland, Ohio TravelCorp International, L.L.C. (TCI) brings over 100 years of corporate travel experience together to serve a global customer base while remaining able to maintain our signature personal service. Our ability to provide personalized service and attention to detail, while remaining accurate and efficient, is the cornerstone of our success.

Travel, both professional and recreational, is often a necessity for most organizations to remain competitive in the marketplace. However, excessive travel can be both expensive and a logistical nightmare. In 1997, TCI was formed to address these issues. Our mission is to provide you with professional travel assistance, without “professional” prices. We pride ourselves on listening to your needs very closely, and from those needs will provide you with a customized travel plan.

In the days of the Internet, why use a travel agent? When you book through the Internet, or through an airline directly, you will not receive the attention and support that is yours as a client of TravelCorp. Each of our agents is specially trained to search multiple channels to provide you with an unbiased view of the market and ensure that you receive the best prices available. Furthermore, we are able to provide services that the airlines, mega-agencies, and internet web sites simply cannot ... such as honoring your airline and seat preferences while working within your company travel policies, voiding non-refundable tickets, the ability to provide accounting and traveler information up to two years after the date of travel, and creatively pricing your itinerary to ensure maximum savings.

Personal “hands-on” service is what sets us apart from the crowd. Whether your company schedules 20 itineraries per year, or hundreds of itineraries per month, we have the capability of servicing you in a complete and effective manner. Whether your trips are for travel incentives to drive your business, corporate meetings that enthruse your employees, or comprehensive travel for your staff, we will provide you with up to the minute details on your complete itinerary. Whether you need an entire hotel booked, wholesale business class flights to Europe, a cruise confirmed, cars rented, or a conference room in Manhattan, we will get the job done at the lowest cost to you.

TravelCorp International is the answer you have been looking for.
